

2.6 Credentialing Qualification Expiration Policy

Date of Approval:	June 1, 2020	Effective Date:	November 1, 2020
--------------------------	--------------	------------------------	------------------

- I. Definitions:**
 “**CADTR**” means the Canadian Alliance of Dental Technology Regulators
 “**DTETPA**” means the Dental Technology Entry to Practice Assessment
- II. Scope:**
 This policy applies to all candidates that have successfully completed the credentialing education equivalency assessment at CADTR.
- III. Principles:**
 This policy is written in accordance with the Pan-Canadian Framework for the Assessment and Recognition of Foreign Qualifications principles of fairness, transparency, timeliness and consistency and in consideration with the minimum standards of the approved dental technology programs in Canada.
- IV. Purpose:**
 The purpose of this policy is to ensure currency of a candidate’s knowledge and skills and compliance with the Education Currency Policy.
- V. Policy:**
 Candidates who wish to attempt the DTETPA shall apply **within 2 years** of successfully completing the credentialing process. Candidates are strongly encouraged to attempt the first available assessment session after they become eligible.

 All successful credentialing results will expire after the **2-year time frame**. Candidates who wish to attempt the DTETPA **after 2 years** of successfully completing the credentialing process must reapply for the credentialing education equivalency assessment in order to re-establish eligibility.
- VI. Associated Policies, Procedures and Guidelines:**
 Non applicable.
- VII. Review:**
 This policy is subject to review every three (3) years.
- VIII. Disclaimer**
 If there is a discrepancy between these electronic policies and the written copies held by the policy owner, the written copies prevail.
