Notices:

- A fee may be charged by the DTR for issuing a Letter of Referral.
- A DTR may refuse to issue a letter to the applicant. This does not prevent the applicant from applying to CADTR for credentialing and assessment under another credentialing route.
- The Letter of Referral must be sent directly to CADTR from the DTR.

- I authorize the DTR to release my education history, registration status and history, professional conduct history and any additional information related to my application/registration to CADTR for the purposes of determining my credentialing and assessment eligibility.
- I understand that a false or misleading statement may result in being disqualified from taking the CADTR's Dental Technology Entry-to-Practice Assessment, invalidating any credential and/or assessment results and may affect my application for registration with a DTR.
- I understand that the information received by CADTR from the DTR may impact my application for credentialing and assessment services and may be shared with other DTRs or as permitted by law.
