APPENDIX A - ELIGIBILITY EVIDENCE REQUIREMENTS

Valid Identification

CADTR requires government-issued identification to confirm your identity. Expired identification will not be accepted. If your current name is different from the name displayed on your identification provided and/or documents submitted to CADTR, you will be required to provide a copy of your marriage certificate or legal change of name document.

The following forms of government-issued identification are accepted:

- Driver's License Issued in Canada
- Canadian Passport
- Non-Canadian Passport (translated if not English/French)
- Permanent Resident Card

A minimum education level equivalent to that of high school or secondary education in Canada

- If you completed formal post-secondary education in a program not related to dental health in Canada or outside of Canada, have the credential assessed by a Designated Credential Assessment (DCA) organization and have the report sent directly by the DCA to CADTR. (Option of five DCA's as already accepted by CADTR)
- If you did not complete formal post-secondary education in a program not related to dental health in or outside of Canada but obtained a **secondary/high school** or **equivalent diploma** in or outside of Canada or have results from an accepted **high school equivalency test**, have your high school diploma, or Adult Basic Education (ABE) certificate, or high school equivalency test result assessed by a DCA and have them send the report directly to CADTR.
 - Accepted high school equivalency tests and results include:
 - The Canadian Adult Education Credential (CAEC)
 - The General Educational Development (GED)

At least five (5) years or a minimum of 6500 hours of verifiable work experience in dental technology, of which one (1) year or a minimum of 1300 hours is obtained within the last 36 months prior to time of application.

- Completed Work Experience and Hours Form with workplace contact details and option for CADTR to verify.
- At least **one reference letter** obtained from a supervisor, colleague or another dental technology professional preferably from the most recent work experience, sent directly to CADTR that attests to:
 - Applicant has gained work and learning experience related to dental technology and their confidence/readiness for having met the required competencies
 - Having completed at least one (1) year or a minimum of 1300 hours obtained no longer than 36 months prior to time of application
